Nursery News

Conkers

We would like to welcome our new children into the group and hope they have enjoyed their first week with us.

This week we have continued with the Easter activities : making Easter nests, exploring the Easter tuff tray, looking and listening to stories. The children have enjoyed washing the dolls in the baths. Exploring the sea creatures in the water.

Acorns

We would like to welcome our new children into the group and hope they have enjoyed their first week with us.

Please note that Sophie (room lead) has broken her leg and is on sick leave at the moment and hopefully will return soon.

Reception

We have had a lovely first week back learning about mini-beasts. We have enjoyed exploring the outdoor environment and looking for bugs in forest school. We are keen to investigate our new topic table and investigation area.

In Literacy this week we have been writing about our favourite Mini-beast.

In Phonics this week we have finished recapping on phase 3 sounds. Our new tricky word this week is... Like. Just to remind you that if you have received a letter back from your class teacher, your child will start Nature club next Tuesday. If not, your child will attend nature club in Term 6. Also, the school trip to Skill Zone is on Monday if your child is in CHERRY Class and Tuesday if your child is in APPLE class. Please arrive to school promptly.

Year 1

What we have been learning about this week in school:
We have had a lovely first week back. Our new topic is based around 'Natural Wonders'. We have started learning the story 'Dinosaurs and All That Rubbish' and we have been designing our own dinosaurs

What we will be doing next week in school:
Next week we will be cave painting, hot seating, creating story maps and learning our number bonds.

Please remember to bring PE kits, wellington boots and painting aprons into school. Please look out for spellings and phonics homework in your child's book bag and continue reading at home.

The Year 1 Team

Year 2

What we have been learning about this week in school:
This week we have begun looking at our topic book 'A rock is lively'. We have looked at a range of fossils and rocks and have used adjectives to describe them. In Maths we have been learning to read temperature and capacity and we have also been reading pictograms and interpreting data.

What we will be doing next week in school:
Next week we will be writing descriptions and bits of information about different kinds of rocks and fossils. In Maths we will be revising fractions and place value. In Science we will be learning about materials and their properties.
Please ensure your child has PE kit in school for Monday.

Friday 14th June 2019

More details to follow next week.

Please be reminded that Forest School Club starts for our Reception children on Tuesday 30th April 2019.

Congratulations to Birch & Oak Class for their 100 % attendance this week!

Safety Around School

It has been brought to our attention that parents are continuing to use the main school office entrance as a thoroughfare to Year 1 and Reception

We kindly ask that you use the designated entrance for each Year Group to ensure that our children are safe in school.

We would also like to remind parent to ensure that they sign in at the school office before entering school and that they do not let anyone else in to the school.

We hope you understand that our first priority is always the safety of your children.
