Conkers

This week the children have enjoyed a variety of activities to support their learning:

Forest school - collecting found objects and creating their own collages.
Children creating their own water features using different objects.
Snacks outside.

Magic Bean activity 1- 5 supporting children to count and recognizes numbers.

The children are beginning to use different resources to create their own imaginary role play games.

Thursday and Friday was Time to Shine.

The children shared their learning journeys with parents/carers and enjoyed spending time playing with them.

We hope you all have a lovely half term.

Reception

We really enjoyed the story 'How many legs' and used this book as a focus for maths.

The children had a go at adding and recording amounts. In forest school this week, we made elderflower cordial. In phonics, the children have continued looking at Phase 4 and focused on consonant clusters.

Next term, our topic is 'splash' and we will start by talking about the seaside in anticipation for our school trip to Weston.

Happy half term.

We look forward to seeing you on Tuesday 4th June. Please ensure that your child comes to school next term with a hat and sun cream applied.

Today was Miss J's last day in Cherry Class.

Year 1

What we have been learning about this week in school:

This week we have been looking at the story 'Dear Dinosaur.' We even received our own letter from the dinosaur! We had a think about the features of a letter and had a go at writing one to reply to the dinosaur. In Maths, we looked at measuring weight.

What we will be doing next term in school:

Next term is called 'Splash!' We will be looking at the beach, old and new seascides, fish and other sea animals. Our focus text will be 'The Night Pirates.' We are looking forward to our whole school trip to Weston. Prior to this, we will learn all about staying safe at the seaside!

Thank you to the parents that attended our Phonics Screening meeting. As always we appreciate your home support. It really does make a big difference. Please remember to bring PE kits, wellington boots and painting aprons into school. Please look out for spellings and phonics homework in your child's book
Have a lovely holiday!
The Year 1 Team

Year 2

What we have been learning about this week in school:

This week we have been writing creativity about our own fantasy adventures if we had a magic bubble. In Maths we have been learning about symmetry and reflective patterns.

What we will be doing next week in school:

Next term we will be learning all about bees, plants and flowers. Please see our topic web for detailed information.
