Nursery News

Conkers

This week the children have enjoyed listening to the story of the 3 Little Pigs.

They have been very busy making gardens on trays, this proved very successful and children began to talk confidently to others about their own home environment.

Outside they enjoyed dolls play this involved washing the dolls, washing their clothes hanging them on the line and using the prams and pushchairs.

At Forest school this week the children explored the environment looking for creatures with the magnifying glasses and bug containers.

Parents please ensure that your child arrives at nursery before 9.00 a.m.

The gate will be closed promptly at 9.00 a.m.

Failing to be on time has an impact on your child's learning.

Thank you for your co-operation.

Reception

We have continued to look at Mini-beasts this week. In Maths, we have been sorting Mini-beasts into groups and talking about similarities and differences. We have also done some beautiful artwork.

We enjoyed our trip to Skill Zone on Tuesday. The children were very excited about travelling on a coach!

We have also enjoyed exploring a range of exciting bug activities and looked at the story 'The Very Hungry Caterpillar' in Guided Reading.

In Phonics this week we have been practising blending and segmenting of words. Our new tricky word is... So. Next week, in Literacy we will be writing a beetle fact file.

Year 1

What we have been learning about this week in school:

This week we have been cave painting, hot seating, creating story maps and learning our number bonds.

What we will be doing next week in school:

Next week we will be learning about question marks and writing questions we would ask characters from our focus text. In Science, we will be learning about carnivores, herbivores and omnivores. In Maths, we will be looking at odd and even numbers.

Please remember to bring PE kits, wellington boots and painting aprons into school. Please look out for spellings and phonics homework in your child's book bag and continue reading at home.

Please remember that your child still need to bring a coat to school as the weather is changeable.

The Year 1 Team

Year 2

What we have been learning about this week in school:

This week we have been writing descriptions about some of the fascinating rocks that we have been finding out about. In Maths we have revised place value and fractions. In Science we have been learning about different materials and their properties.

What we will be doing next week in school:

Next week the children will begin their SATs tests- please do not tell them that they will do taking these as we like the children to feel relaxed. It is extremely important that the children are on time for school and have eaten a good, healthy breakfast. During the afternoons we will be doing PE, Art and Science
