### Staffing

We are delighted to welcome two new members of staff to our team.

Mrs Emma Giles in Year 2 and our new Deputy Head Mrs Anna Jones who will also be teaching in our Reception/Year 1 class

We cannot believe that the end of another school year has come around so quickly!

The lovely weather has meant that we had a super time at our sports activity day.

We are really proud of everything that our children have achieved this year.

It has been a happy year in school with the majority of children making great progress in their learning and really getting the most out of school.

The children who do best are those whose parents and carers help them with their learning at home and come into school to join in with Assemblies, Happy Hours and Parent-Teacher meetings.

### Reception

Well what can we say!!!!

We are so proud of all the reception children. What a full on week they have had !! They had a hot day for Sports day, which included Yoga, Football, parachute games and lots more. They all joined in happily and really enjoyed being in teams with the older children. They have had an amazing year and we finished off this week with their AMAZING 'Reception's Got Talent'. The children all chose their own talent for the show and what a show it was. They have truly grown in every way this year and I'm sure all the grown-ups are just as proud of them as we are!!

What a lovely bunch !!

The children took part in a race for life this morning to raise money for Cancer Research.

Thank you for all your support.

We will see you all for a final farewell at the picnic on Tuesday at 12pm. Thank you for all your hard work and support with the children throughout the year.

### Year 1

This week we had a super Sports Day! We enjoyed taking part in physical activities in teams with our friends across the school. We also enjoyed sharing our learning with you in our Year 1 celebration assembly. We are so proud of how far we have come this year.

We are looking forward to our family picnic on Tuesday at 12 p.m. Please remember to read with your child at home. Thank You

### Year 2

The children really enjoyed sports day this week and were great buddies to our Reception children. On Wednesday we had our STEM day and made fan boats, the children had a great time and thank you to the parents who volunteered to help out.

Next week we will be having our special celebration assemblies. We will be sharing our special memories of the Infant School
