Stonehouse Park Infant School  
Autumn Term

Tuesday 3rd September - Friday 6th September 2019

Stonehouse Park  
Infant School

### Welcome

We extend a very warm welcome back to school for all of our families. We hope you have had a happy summer break with your family.

We look forward to working in partnership with you all again this year to make sure your child has a happy and successful time in school.

Please remember that we are always available to meet with you if you ever have any worries or if there is anything that you need help with.

Our priority for the first few weeks of the school year is to make sure every child is happily settled in their new class and that our staff get to know every child and parent. To help with this your child's teacher is arranging some 'Getting to Know you' meetings.

This is an opportunity for you to tell your child's teacher all about them and for the teacher to talk to you about the year ahead. You will also be able to ask any questions.

We do hope that you are able to take this opportunity up.

Thank you for making sure that your child has come back to school looking very smart in their uniforms.

Please make sure you have named everything so that the new clothes you have gone to the expense to buy do not go missing.

Next week we will be welcoming our new YR children and their families.

We hope that you will help them settle into our school and make them feel welcome.

Thank you.

### Year 2

What we have been learning about this week in school:

We have had such a brilliant first week in Birch & Lime class! We have been settling into our new classes and getting to know each other and the environment.

We have been writing all about ourselves and have been practising our counting and number recognition.

In art, we have started a self-portrait based on the work of Picasso.

What we will be doing next week in school:

Next week we will be reading and discussing our text 'All the ways to be smart'. We will be reading with the children and practising phonics. In science, we will begin to think about the stages of growth. We will continue our self-portraits.

### Year 1

What we have been learning about this week in school:

We have had fun getting to know our new classes and have all settled into Year 1 so well!

This term is 'Wish Upon a Star' and this week we have been getting to know everybody and the things that make them happy.

We have also have been drawing the other half of our selves.

Please remember PE kits, wellies and painting shirts/aprons.

Also book bags if you haven't brought them in yet.

Please remember that we only have water or milk in the classroom.

Thank you for your support.

### Staffing

We welcome two new members of staff to our team.

YR/YR1: Oak Class Teacher Mrs Anna Jones

YR2 Lime Class - Mrs Emma Giles

We warmly welcome back Mrs Tambling from Maternity Leave and Mrs Hacker who is now teaching in our Year 1 Oak Class.

### Time to Share Sessions

In response to parents request we will be changing our Time to Share sessions back to Friday mornings from 9 - 9.20 a.m. starting Friday 13th September 2019.

Thank you to all our parents for your patience walking round to your child's classrooms, once the children have settled in to school staff will collect Year 2 children from the playground at 8.55 a.m. Thank you for your co-operation.

### Our Star Learners' this week.
