

Year 1 Willow and Oak class weekly overview

Week commencing 19/10/20

	Learning Objective	Suggested Activities
Life Skills/ PSHE	We are thinking of all of the things that we are thankful for	Listen to the story 'I'm thankful each day' https://www.youtube.com/watch?v=JlodsXEvo4U Talk to your family about some things that you are thankful for. Ask them to share their ideas with you too.
Literacy	We are going to be writing about what happened to Marmalade the bear on our trip to the High Street last week. We will be using time connectives.	The adventures of Marmalade the bear. Tell your grown-ups about our trip to the High Street last week. What happened? Where did we see Marmalade? What happened to him? What was the first thing we did? The last? Try to use the words first, next, then and finally to order your story. Ask a grown up to help you have a go at writing some simple sentences using some time connectives. Remember to use a capital letter at the beginning of your sentence and a full stop at the end. You could draw some pictures to illustrate your story.
Phonics	Phase 3 phonics To be able to read and write words with 'oo'(long vowel sound) and 'ar' sounds.	For both sounds: Watch Geraldine Giraffe phonics and then the 'Little Learners videos which will help you segment and blend words with the diagraphs that we're learning. oo (long vowel sound) Geraldine https://www.youtube.com/watch?v=atlb2jPdFd0 Little Learners https://www.youtube.com/watch?v=ONggoexO8gY ar Geraldine https://www.youtube.com/watch?v=QXBQDsgRuMo Little learners https://www.youtube.com/watch?v=ILFON8qBZsE Practice sounding out the words. How many words can you think of with those sounds in? Write a list of the words you that thought of. There are lots of phase 3 phonics mini videos on the BBC bitesize site below if you want to have a recap of sounds learnt so far. https://www.bbc.co.uk/bitesize/topics/zvq9bdm
Maths	This week we are learning language to describe and compare numbers.	Sing the counting song 'Counting in twos' (kidstv123) https://www.youtube.com/watch?v=JyCr0lgbYcl Find some counters or small objects at home. Ask you grown up to make 2 groups (up to 20) Count the objects, which group has more/less? Maybe the 2 groups have the same amount? Practise again.
