Apple & Cherry Class

This week we have been learning all about firework night!
On Monday we saw some mini fireworks and the grown up showed us sparklers.

We have been thinking of words to describe the fireworks and writing these words.
We also have been completing some Maths with the fireworks, counting how many of each colour and adding them together.

We have also made firework biscuits this week and we've eaten them while watching fireworks on the big screen.

Next week we will be learning about remembrance day on Wednesday and also looking at Diwali.

We will be talking about why people celebrate Diwali and how they celebrate it.
Next week we will be having P.E. on Monday, so please can all P.E. kits and forest school clothes be in on Monday.

Apple will have Forest school on Thursday and Cherry will have Forest school on Friday.

Oak & Willow Class

This week we have been learning about bonfire night and writing firework poems.

We have been creating firework pictures by folding, rolling and cutting shapes and in Maths we have been learning how to add 2 sets of objects together.

Next week we will be reading the story of the three little pigs and then acting it out.

We will be learning about remembrance day and making poppies.
In Maths we will be learning how to use the part-whole model to add 2 numbers together.

Birch & Lime Class

This week we have been reading 'The Bear and the Piano' written by David Litchfield.
We have been learning the story and talked about our favourite parts.

We have created fireworks in the city pictures and thought about why we celebrate Bonfire Night. In Maths, we have been learning and practising our number bonds to 10, 20 and to 100.

Next week we will be planning to write our own version of the story.
In maths, we will be practising to add two numbers using equipment and developing our understanding of written methods to help us. We will be enjoying lots of different activities to commemorate Remembrance Day.

We have had a brilliant first week back in school

Thank you for your ongoing support!

Nursery News
Acorns

We are learning the story "Brown Bear Brown Bear" and the signs to accompany the story.

We have explored coloured rice scooping up with our fingers or with small spoons, sprinkling, mixing and filling metal pots.

We have made circles, lines and patterns in the rice and noted the different colours.

The children have crawled through tunnels feeling the texture of bubble wrap under their knees.

We have jumped up and down on the bubble wrap and listened to the sound made as the bubbles pop.

The children are really enjoying the action rhyme

"Sleeping Bunnies" it is becoming a firm favourite.

Conkers

It was lovely to see all the children back after half term.

This week the children have been very busy making firework pictures with paint and glitter, and enjoyed listening to the story 'Sparky the Spider'

This encouraged the children to being able to understand about safety and to talk about their own experiences,

This week we have introduced Keygroup groups, this supports the children to focus, share, trace, take turns, listen to instructions, encourage language.

The children have enjoyed shop role play, different construction materials and the weighing scales were very successful.

Next Friday 13th November we invite children for a small donation to dress up in spots to celebrate Children in Need .
