

Literacy

Fiction - We will be reading and writing stories about adventures to the moon.

Non-fiction - We will be looking at information texts and writing a report about the first moon landing.

Poetry - We will be reading and writing patterned poems about fireworks.

Science

We will be exploring a variety of materials including wood, plastic, glass, metal, water and rock and consider how they may be changed by squashing, bending, twisting and stretching.

Maths

In Maths we will develop our understanding of addition and subtraction using different calculation strategies. We will learn to tell the time to the half past and quarter past the hour. We will also measure and compare weights and learn about fractions of shape.

Design and Technology

We are going to use the knowledge and skills that we develop in Science to design and make something for our trip to the moon!

Sparkle and Shine

Year 2 Term 2 2015

History

As part of this term's focus we will be learning about the first moon landing and why this was such a significant event in History.

ICT

We will be using ICT to research information about the first moon landing and will develop our skills of finding things out using the internet.

PE (Lime)

We will continue to work with Kick Off Stroud to take part in multi-skills and learn new team games.

Art and Design

We will be looking at Van Gogh and focussing on his painting 'Starry Night'. We will be creating our own stars using a range of media.

PE (Birch)

We will continue to develop our confidence in the water and learn new swimming techniques.

PSHE

We will be learning about different emotions and how our behaviour affects other people. We will also be learning how to recognise other people's feelings and how to respond to them.

Music

We will be learning and singing new songs (Christmas songs) and will be performing as a group in our Year 2 carol singing.

The value that we will be learning about next term is 'peacefulness'. We will consider how we can be patient and forgiving towards others.

RE

We are going to be learning about Diwali, the festival of light and will be learning about the reasons that Christians celebrate Christmas.
