Smoking

Unfortunately we have had several
complaints with regards to parents
smoking outside the school gates
and blocking the entrance to school.

We kindly ask that parents refrain
from smoking in the vicinity of the
school gates and dispose of
cigarette ends in the bins provided.

Thank you for your co-operation.

We would also like to remind
parents that in order to keep all our
children safe during school hours
we ask that all parents use the main
office entrance and ensure that you
sign in and out of school if you are
not dropping or collecting children
from school.

Thank You.

We are hoping that the new office
and entrance building will be
completed and ready to use after
half term.

If your child is unwell, please keep them at home and notify the

vomiting and diarrhoea, it is
essential that a period of 48 hrs, free from these conditions,
has elapsed before your child returns to school.

If your child has to be taken out of school for a doctor's or dentist's appointment
please make sure that teaching staff are informed in advance.

Thank You.

Healthy Lunchboxes

Thank you for your support in ensuring every child has a healthy lunchbox. We
know that too much sugar and fat are not good for your child's health and
well-being and also has a negative impact on learning and behaviour in
the afternoon session.

We would ask that you do not include Confectionery such as chocolate bars,
sweets and Fizzy Drinks in your child's lunchbox.

Cereal bars and cookies are acceptable.
