Hearing & Vision Screening
Reception Children

The Health & Well-being Team will be coming in to school on Monday 13th & Tuesday 14th March 2017 to undertake Vision & Hearing Screening for our Reception children.

If you do not wish your child to be screened you will need to opt out by phoning 0300 421 8225

Parents & Carers will be informed of their child's screening results.

Thank You.

Pantomime

Staff and Children are looking forward to the forthcoming pantomime production of 'Cinderella' on

Wednesday 18th January.

Thank you to our 'PTA' who have kindly funded the Pantomime for our children.

Poppy Appeal
Our school collected
£101.81.

Thank you to everyone for helping with this Appeal.

Without your help, they would be unable to continue their vital welfare and benevolent work.

Lest We Forget.

Reception

This week we have enjoyed the introduction to our new topic 'All Around the World'.

We have been looking at the story 'Arctic Circle' and 'Killer Gorilla'. We will be travelling around the world to all the different countries. The children have settled back into school brilliantly and are all very happy.

Much colder weather is forecast so please make sure your child has warm clothes for school e.g. gloves, hat.

Please remember to name these items so they don't go missing.

Year 1

This week we have been learning about 'Antarctica'.

In English the children have written fact files about penguins and in History the children have been learning about Edward Wilson the explorer.

Maths has been addition and fractions and in Art the children have used different mediums to create penguin pictures.

Next week we will be learning about polar bears as we travel to the Arctic.

Please make sure children have their PE kits in school and also a waterproof coat.

We kindly ask that you check book bags for spellings.

Thank you.

Year 2

This week we have been learning about money. We have been making a value with coins and finding different ways to make the same value.

We have also been writing a recount of our walk around Stonehouse.

We have been learning to include sentence starters, adjectives and the correct tenses in our writing.

Next week we will be learning all about Africa. We will be asking questions and finding out about the people that live there, the food they eat and animals.

In Maths, we will be using the story 'Handa's Surprise' to add together different lengths of fruits.

Year 2 Trip to Goodrich Castle
Friday 10th March 2017

Winter Closure

In the event of bad weather conditions or an emergency school closure parents can obtain all information by listening to their local radio station or going online to:

www.glosclosedschools.com, www.gloucestershire.gov.uk/radiostations

Parents will also receive a text message from school.

Illness / Absence

If your child is unwell, please keep them at home and notify school by 10 a.m. on the first morning of absence.

If your child is sick at school, we will ask you to take your child home. They should not return to school for 48 hours.

We appreciate that this is inconvenient in many cases, and you may not believe your child is ill, but you will appreciate that we do this in all cases so it should reduce the risk of infection for all children in school.

Thank you for your understanding with this.
