Parent and Teacher Meetings

Thank you for taking time to come into school to meet with your child's teacher.

We hope that you enjoyed the opportunity to look at your child's books and to hear all about their learning in school.

I know that your child's teacher will have talked to you about how you can support their learning at home.

The children who make most progress in school are those whose family support their learning at home.

Reading with your child for just 5 minutes a day makes a huge difference to their progress.

Parent Questionnaires

Thank you to those parents who have taken time to complete a feedback questionnaire. If you have not yet had time to do this please could you take a few minutes to fill one in.

We genuinely welcome your feedback and value your suggestions for how we can improve our school.

We welcome ideas from parents on how we can improve what we do please visit the following link www.parentview.ofsted.gov.uk

Sainsbury's Active Kids Vouchers

We are collecting these vouchers and welcome as many as you are able to donate.

The collection box can be found in the main entrance.

Thank you for your support!

Reception

This week we have been looking at the Once Upon A Time story 'The Three Little Pigs'.

We have been making up story actions and retelling the story of 'The Three Little Pigs'.

We have also been building and designing houses for the pigs out of sticks, straw and bricks, to see which one is the strongest.

We have also been learning about positional language this week.

We have been making pig and wolf masks and creating huff and puff straw blowing paintings.

In Forest school this week we made dens...

what a fun and busy week it has been in Cherry and Apple class.

Next week we will be looking at the story of

'Goldilocks and The Three Bears'

Year 1

This week we have been continuing our work on 'The Wizard of Oz'.

We have been writing about what it is to be a good friend and what it means to be brave.

In Maths we have been counting in 2's and looking at odd and even numbers.

Next week we will be carrying on with our 'Wizard of Oz' work. We will be learning about the heart, identifying different animal groups and writing story maps.

Thank you to those parents who sent in photographs for our Geography topic.
Please keep up the fantastic reading!

Year 2

This week we have been learning about fractions of shapes, objects and quantities!

We have been finding out even more about Castles after our trip and have been planning a fact file.

We have really enjoyed making our Castles this week!

Next week we will be writing our Castle fact files!

We will also be finishing our Castles and evaluating our designs.

In Maths, we will continue to learn about fractions and we will also be looking at shape and symmetry.

Non-Uniform Day
Friday 24th March 2017

Year 1 Trip to Gloucester
Friday 31st March 2017

Official Opening of
School Main Entrance
Friday 31st March 2017

Birch Class Assembly
Wednesday 5th April 2017

Easter Break
We finish school on
Friday 7th April
And return to school on
Monday 24th April 2017.

'Easter Eggstravaganza'

Please come along and have fun with us at our Easter Eggstravaganza on Saturday 8th April, 10-12 at the school.

There will be a bunny hunt with prizes, hook a duck, a humpty-dumpty themed 'coconut' shy, lots of Easter crafts for the children to do, a raffle, name the lamb, and delicious cakes, biscuits, teas and coffees available.

We are charging £4 a family to raise funds for the school, this will include the hunt and games with prizes, and crafts for the children to make and bring home.

We would love some extra hands on deck so if you could volunteer to help out for an hour or so, or maybe bake us some yummy cakes or biscuits, please let us know.

We'd love to see you all there!

Thank You

'Star Learners of the Week'
