Infant School

# Stonehouse Park Infant School Weekly Newsletter Monday 9th - Friday 13th October 2017

Stonehouse Park  
Infant School

## Open Day

We are hosting Open Days on the following days:

**Wednesday 15th November**  
4.30 – 6pm

**Thursday 16th November**  
9.30 - 10.30 a.m.

**Wednesday 22nd November**  
9.30-10.30 am

**Wednesday 29th November**  
9.30-10.30 am

Parents of school age children are welcome to come and see the children working indoors and outdoors in our inspirational learning environment.

This is an exciting opportunity for all parents to bring their pre-school children to capture education from birth to seven years old.

Please feel free to visit any aspect of the School.

We look forward to welcoming you to our school.

## Apple & Cherry Class

This week in Cherry and Apple class, we have been looking at the story 'In My Heart'.

We have been talking all about our feelings and recreated our very own hearts using oil pastels.

In Maths, we have been looking at different objects and ordering them by size.

We really enjoyed singing to you in our Harvest Assembly; we hope you enjoyed it too!

## Oak & Willow Class

### **What we have been learning about this week in school:**

This week we have been reading the story Wilfred Gordon McDonald Partridge in English. We have been talking all about our past and the memories we have. In Maths, we have been looking at repeating patterns and answering addition number sentences. The children also enjoyed investigating pumpkins using magnifying glasses and scientific equipment.

### **What we will be doing next week in school:**

Next week we will be reading the story Funny Bones. We will be talking about the story and writing about the characters. In maths we will be starting to look at measuring.

We will be putting up the appointment list for Parents' Evening. Please look out for this where your child comes into school. Parents' Evening will be held at the start of next term.

## Happy Hour

All parents are invited to join us on **Friday 20th October** between 9 & 10 a.m. to see what your child has been learning about in their classroom and around school.

## Punctuality

Please remember that school starts at 9 a.m.

The doors are open from 8.55 a.m. It is very important that children arrive on time for school. If they arrive late they disrupt the rest of the class and miss important learning

## Birch & Lime Class

### **What we have been learning about this week in school:**

This week we have been learning the story 'Lost and Found'. We have planned to write our own versions of the story. We have been challenging ourselves to subtract successfully. We have created our own maps of the school and discussed the human and physical features.

### **What we will be doing next week in school:**

Next week we will be writing our own story of 'Lost and Found'. In maths, we will be using the Bee Bots to learn to use directional language. We will also be creating some seasonal artwork using autumnal colours.

## Coats/Wellies

We are hoping children will be able to play and work outdoors in all but extreme weather conditions. They will therefore need to have wellies and a waterproof jacket with hood to be available in school at all times.

Please ensure all items are named.

We are happy to keep these items in school during term time.

Thank You
