Infant School

Ofsted Letter

You will receive a copy of the Ofsted letter from HMI Ian Freeland who inspected our school on Tuesday 3rd October 2017 in your child's bookbag. Thank you to all parents for your support during the inspection.

Please make sure that you make an appointment to see your child's teacher to talk about their progress and well-being. The list of appointments are displayed by the classrooms. If you are unable to come into school please phone the School Office on 01453 823052 and they will make an appointment for you.

I would like to thank all parents who regularly read with their child at home and support their learning. This support has a positive impact on their progress.

We hope you all have a happy half term and look forward to welcoming your children back to school on Monday 30th October

Apple & Cherry Class

This week in Cherry and Apple class, we have been looking at our brilliant bodies! We have been talking about our hearts and how we keep them healthy. We have had a go at labelling our own body parts too.

Oak & Willow Class

What we have been learning about this week in school: This week we have been looking at Halloween stories including Funny Bones and Room on the Broom. We have been designing our very own broomsticks and in Maths, we have been measuring Halloween related objects. We also really enjoyed going to Sherbourne House to perform our Harvest Assembly to the residents!

What we will be doing next term in school: Next term we will be focusing on Bonfire Night, Space and Christmas. In the first week we will be having an Art focus on fireworks and making clay pots for Diwali. We look forward to seeing you next term for Parents' Evening. Please make sure you sign up if you haven't already done so.

Please remember to keep reading over the holidays. It is really important the children continue to develop their reading and comprehension skills. We hope you all have a lovely half term.
The Year 1 Team

Birch & Lime Class

What we have been learning about this week in school: This week we have been learning the story 'Lost and Found'. We have written our own versions of the story. In maths, we have used Bee Bots to learn to use directional language. We have enjoyed creating autumnal artwork.

What we will be doing next week in school: After half term we will be creating firework art and props for our role play. We will be writing our own firework poems. In maths, we will be learning about number bonds and how they can help us every day.

Thank you for your support throughout this term.

Open Days

We are hosting Open Days on the following days:

Wednesday 15th November
4.30 - 6 pm

Thursday 16th November
9.30 a.m. - 10.30 a.m.

Wednesday 22nd November
