Acorns

This week the children have enjoyed listening to the story 'The Tiger Who Came for Tea' We are beginning to introduce activities based around the story...

Pass the tiger, cuddly tigers in the home corner having tea, painting and introducing different foods.

The big slide, tunnels and rockers outside have been popular with the children and have supported their physical play.

On Monday we visited Forest School, the children showed interest in looking for bugs with the magnifying glasses and collecting them in their containers.

Conkers

This week the children have been creative making a special gift for Mothers Day.

We took magnifying glasses and pots out to Forest School and the children went on a hunt for bugs.

Next week the children will be revisiting with pouring and filling in the water. We will also be continuing to support children with their self help and independence skills Please help us by encouraging your child to put on their own coat and shoes. It is especially important for children to wear shoes / coats that they are able to put on independently.

Next week we are holding parent meetings in the Red Lodge.

We look forward to seeing you to discuss your child's progress.

Please see staff if you are unable to make your appointment.

If anyone would like to donate any large vehicles, dumper trucks, lorries or trains it would be much appreciated. Thank you.

Whilst we encourage our children to walk and ride their Scooters and bikes to school. We kindly ask that parents refrain from letting their children ride their scooters and bikes on school premises as it is dangerous for other children and parents waiting in the playground

Thank you for your support and understanding.
