Reception

The children have had a great few days back at school and have settled back in very well.

Our topic this term is 'Transport' and the children have enjoyed exploring all the different ways to travel this week.

We have created our very own bus stop in the rainbow room and have been drawing giant roads.

Our focus book this week is 'The Naughty Bus' by Jan and Jerry Oke. We have had lots of fun painting buses.

We have been talking about what we already know about transport and thinking about what we would like to learn about.

Reading with your child

We know how busy life is so we welcome parents to come into school at 8.45 a.m. to read with their children. This should be a quiet, calm positive start to the school day. We respectfully remind you to not leave your child unsupervised in school during this time.

Children should be ready to start school at 8.55 a.m.

Thank you to all our parents who regularly read with their children at home, this makes such a difference to your child's progress in reading and also helps with their confidence.

Thank you for your continued support,

E-Safety

You may have already seen or heard about MoMo on the news or even through social media.

Please find attached a parent information help sheet.

If your child is accessing the internet it is very important that you read this and take the necessary steps to protect your child.

We will continue to promote E-Safety messages in school.

Thank you for your support with this matter.
