Nursery News

Conkers

This week the children have covered a wide range of activities to support their learning. This includes: Garage role play using a variety of tools, clipboards and pens and technology toys.

Puppet show was very successful and supported children with their social skills and language.

Pond dipping at forest school.

Bats and Balls - children beginning to show good control over a ball and good co-ordination skills. They enjoyed the open ended activity of water play outside with the tunnels.

Please remember to bring a sun hat for your child now the weather is hotter and apply sun cream before arriving at school.

Reception

In literacy this week we have been writing some or all of the pirate story. We are really enjoying our pirate and mermaid theme!

We enjoyed making pirate biscuits. It was no easy task manipulating those icing pens! We have been discussing our end of year assembly and will begin practising for this next week. We have also been using relative position in maths and have had a go at operating the beebots and describing position.

In PE this week, the children have been doing multi-skills in preparation for sports day. Please bring in PE daps if you have them as the children are doing PE outdoors.

In Phonics this week, the children have been practising some new phase 5 sounds and using alternative spellings.

Year 1

This week we have been writing positional language instructions for a pirate map.

In Art/DT we made our own treasure chests (thank you for the egg boxes) and created our own 'Night Pirate' pictures. In Literacy we have been thinking about the beginning, middle and end of our focus text story book ready for a recount write next week. Next week we will be continuing our learning on 'The Night Pirates'.

We will also be writing about our favourite things from our time in year 1.

Year 2

This week we have been practising for our Year 2 performance of 'The Bee Musical'. We have also enjoyed reading buddies with the Junior School and had a great time at our moving up morning getting to know our new teachers.

Next week we will be performing our play to the school on Tuesday and to parents on Wednesday and Thursday. We will be having a dress rehearsal on Monday so please ensure that your child's costume is in school.

As we have a big year group, there will strictly be only 2 seats available per child to watch 'The Bee Musical'. 2 Tickets will be available per child for either Wednesday 10th or Thursday 11th July.

Thank you

Cool Milk -Y2 Leavers

If you wish your child to continue to have milk at their new school please remember that you must end your account here and start a new one with their new school.

If you have any problems please ring : 0800 321 3248

www.coolmilk.com

'Moving Up'

We will be having a 'moving up' morning on Monday 15th July where our current YR and Y1 children will meet their new teachers and teaching assistants.

Our current Y2 children are becoming familiar with the junior school.

They are making visits and working with their Junior school reading buddies.

We are confident that all of the children will settle happily into the Junior school but if you have any worries please come and talk to your child's teacher.

Year 2 Leavers Party

This year the Year 2 Leavers Party will taking place on Thursday 18th July 2019

The party will begin immediately after school and finish at 5 p.m.

We therefore ask that children bring their party clothes to school that morning in a bag so they can change in to their party clothes after school.

There will be a disco in the hall, playing party games and refreshments and snacks will be provided.

Please collect your child from the front playground as normal.
