Harvest Assembly

We warmly welcome our Reception parents to attend Apple Class Harvest Assembly on Thursday 10th October at 9.15 a.m. in the School Hall. We would be grateful for any small contribution (tins & packets but please no fresh produce), which the children will display in the hall as part of our Harvest Festival and then we will pass on to the Food Bank. Thank you for your support

Apple Class

This week in Apple Class the children have continued to read the story of 'What the Ladybird Heard' and have been dressing up as ladybirds and have been on a listening walk around our school.

In PE we used the large apparatus and practised our balancing. Skills.

In Maths we have been learning about Shapes and Colours.

Please can we kindly remind all parents to ensure your child's belongings are named.

Thank You

Oak & Willow Class

This week we have been learning how to write a character description of the Lion from our class story in Literacy. In Art we have been drawing portraits of our friends and in Maths we have been exploring numbers using numicon

Next week we will be writing our own character descriptions of the mouse and we will be starting to innovate our own versions of the story.

In Maths we will be learning our number bonds to 10 using numicon to support our learning.

Please remember to send book bags in every day and read with your child at home.

Please make sure that the children bring a coat into school as the weather is changeable.

Birch & Lime

We have been learning to subtract numbers practically and using a written method. We have been challenging ourselves!! We have learned the story 'After the Fall' and created actions to help us remember it. We have finished our all about me boxes and evaluated our finished product

Next week we will learn to add two numbers practically and using a written method. We will plan to write the story 'After the Fall'.

We will be thinking about our favourite places in school and in Stonehouse.

Thank you for joining us for our Harvest Assembly!

We think the children sang beautifully and we hope you enjoyed it.

Acorns

We have continued with the story Brown Bear, Brown Bear. All the children engage well with this book and some children are starting to sign the different animals in the story. Please read to your child at home.

It is important that we encourage a love of books. We have also made collage starts to support the children with singing the rhyme Twinkle, Twinkle Little Star. We have been pouring and filling the water tray.

This activity is enjoyed by most of the children and will help to develop their hand and eye co-ordination.

Conkers

This week we have been enjoying the topic "All About Me". The children have participated in a number of activities to support their learning, Self Portrait, Finger painting
Enjoying a variety of books about our senses

At circle time talking about how we are all different. Now that the weather is turning colder, please ensure all children have a named coat with them every day..

Well Done to all of our 'Star Learners' this week
