Nursery News
Conkers

This week the children have been painting firework pictures and making rangoli patterns with coloured rice to celebrate Diwali.

At circle time we shared our ideas about how to keep ourselves safe at firework parties.

The children enjoyed exploring the Noah's ark boat with animals and cereal play with the wild animals.

The children have been working well together to produce some very good construction pieces. They talked about their ideas, shared resources and took turns.

Next week is our time to shine, Monday - Friday 8.55 - 9.30 come along and play with your children, see their keyworker and look at their learning journey.

Friday is Children in Need day we are inviting the children to dress up in spots or stripes

Acorns

We hope you all enjoyed a good half term and restful break. It is lovely to welcome some new children to the group. We have continued with the story this week Tip Tip Dig Dig and we have also explored painting fireworks. We have made beautiful colourful fireworks on a large sheet of material outside, using paint. We have also made individual pictures using glitter and sequins.

Please remember it is Children in Need on Friday. Children can dress up in spots, stripes or their own dressing up clothes. We will ice biscuits with the children and ask you for a donation.

Remember we get messy while playing. Please always send the children in old clothes and also with a change of clothes in their bag.

Apple Class

This week we have enjoyed celebrating Bonfire Night by making our own glittery firework pictures!

We have also been carefully counting fireworks and having a go at recognising numbers 1-20.

Next week we are looking at the story 'How to catch a star' and will be retelling it in our own words.

We will also be looking at the Artist 'Vincent Van Gogh' and will be having a go at making our very own starry night pictures

Oak & Willow Class

This week we started the new term with a bonfire creative day. We have been making firework pictures in art and in DT we have been making edible sparklers using chocolate fingers and hundreds and thousands - delicious. In Maths we have been learning about 2D shapes and we have been thinking about our new school value, **Honesty**, and what it means.

Next week we will be having a Remembrance creative day which will be followed up with a visit to the War Memorial later in the week. In English we will be writing poems using onomatopoeia and our senses and in maths we will be learning about height and length

Please remember to send book bags in every day and read with your child at home.

Please make sure that the children bring a coat into school now that the colder and wetter weather is here.

Birch & Lime Class

This week we have enjoyed a spooky week of learning!
We started with a day of Bonfire Art.

We enjoyed a Science day where we experimented with slime and potions. We have written amazing spooky Halloween poems!

In Maths we have been learning to discuss position and direction in the context of the text 'Room on the Broom'.

Next week we will be learning about Remembrance day and commemorating this event through Art. We will be revisiting shape in Maths. In Literacy, we will be reading our new text 'Hansel and Gretel' by Anthony Browne and will be describing the main characters.

We look forward to seeing you next week at Parents Evening!

Cleaner Vacancy

We are looking to recruit a cleaner to join our site team.

Grade 1

7 ½ hours a week,
Monday-Friday
Early mornings (5.00-6.30
or 5.30-7.00 or 6.00-7.30).

This post is mostly term time only with some hours over the summer holidays and February half term.

For more information and an application form please contact the school office on 01453 823052.

Closing date:
Friday 15th November 2019

Thank you to everyone who supported our Poppy Appeal this year.

If your child brings their slap band to school they will need to be kept in your child's drawer during the day as they are causing a distraction during class time.

Thank you for your understanding

Community Singing Project

Lime Class have been invited to join in with The Elms Care home for a community singing project.

We will be doing some singing activities on

Thursday 21st November and
Thursday 5th December .

We are looking for any parents /grandparents to walk down with us at 1.30pm.

Please let Mrs Giles or Mrs Barz know if you can help .

Congratulations to all 'Our Star Learners'
