Apple & Cherry Class

This week we had something very exciting happen in Reception.

The Ladybird from the Ladybird heard visited us. She needed our help as the animals had escaped into the Reception classes. We had to find them! When we had found the animals, we had to use the words more, fewer and equal to describe how many of each animal there was.

We've also been talking about kindness this week.

We made kindness potions in forest school and we have painted big hearts. Next week we are going to look at the story Funny bones and we're going to talk about our bodies! Maybe over the weekend you could have a look at the funny bones story?

Here is where you can find it <https://www.youtube.com/watch?v=sJodPwWCClQ>

Can we ask that Reception bring in book bags on Friday 23rd October as we would like to send a reading book home for the Half Term holidays.

Oak & Willow Class

This week Marmalade the bear went missing!
We had to think very carefully about all the places in Stonehouse he could be!

We created maps of Stonehouse and wrote about where we thought he could be. We were very relieved to find out that he was found safe and well in the Co-op!

We have been creating harvest Artwork and have been learning how to find one more/less than any given number. Next week we will be performing our Harvest Assembly to Year 2 via zoom! We will be learning to compare and order numbers in Maths and we will be writing a recount of Marmalade's adventure!

Birch & Lime Class

This week we have been learning to count in 2's, 5's, 10's and 3's.

We have been finding the missing numbers in a sequence. We have practised our skills independently and with our friends!

We have started writing the story Pumpkin Soup.

We are all trying our best and we have made a fantastic start!

We have thought about our mind-set for learning and have learnt about how our brain grows.

Next week we will be continuing writing the story Pumpkin Soup.

In Maths we will be learning about position and direction with a spooky theme!!

We will also be enjoying some spooky science!

Nursery News

Acorns

We have followed the children's lead and have been playing shops outside using the tills, cars and the house as the shop.

The children have been climbing up onto the climbing frame and sliding down the slide, sometimes accompanied by our baby dolls.

Next week you will receive notification of a telephone appointment with your child's Key Person.

This will allow you to ask any questions you may have and discuss how your child has settled in the Nursery.

Conkers

The children have enjoyed listening to the story "Owl Babies" this week and decorated owls for the display wall. They have shown an interest in the space station, and have made rockets from a variety of different construction materials, blocks, stickle bricks, Lego.

We introduced tapsticks into music and movement, the children were able to follow simple instructions, listening and following adults lead.

Next week we will be celebrating Halloween, we invite your child to dress up on Thursday or Friday if they would like to. Thank You.

PTA Halloween Fancy Dress Competition!

Dress up at home in your favourite Halloween outfit, take a photo and send your photo to the school office (admin@park-inf.gloucs.co.uk) including your child's name and class.

Entry is £1 (there is a tin in the school office).

The photos will be shared on the School Facebook page so please advise in your email if you DO NOT want it to be shared on Facebook.

There will be a winner from each class.

Closing date for the competition is Wednesday 21st October.

The winner will be announced on Thursday 22nd October.
