### Apple & Cherry Class

This week something rather mysterious happened in Reception. two fairy doors appeared and a letter from the Fairy Godmother! She needed our help because she had to give the troll some advice.

We have been writing to her to help her with the troll.

We have also been writing questions to her, and she has been replying! We have been reading the story 'Dear Fairy Godmother', to find out more about her.

You can find the story here: <https://www.youtube.com/watch?v=qEOP5opW-ko>

We have been making our own wands, dressing up as fairies and creating our own fairy worlds. We have also been building the Three Little Pigs houses in Forest School and acting out the story, we loved building the different houses! Next week P.E. will be on Monday, where we will be continuing to learn how to throw and catch. This week Apple Class will have Forest school on Thursday and Cherry Class on Friday.

### Oak & Willow Class

Year One have had a great week and worked so hard. We have been thinking about describing foods with alliteration in poetry and used dictionaries to help us think of different foods.

In Maths we have been sharing objects equally and using the language of division.

We have had a fantastic Design and Technology Day designing and making model castles.

The children really impressed us with all of their knowledge and enthusiasm about the features of castles.

Next week in Maths we are going to be learning about fractions and finding one half of a shape or quantity of objects.

In Literacy, we are going to be writing a Dragon's menu using exciting adjectives and alliteration.

We are very excited about our Dragon's Feast Day on Tuesday and look forward to lots of fun activities!

### Birch & Lime Class

This week we have been redrafting our writing about our dragons.

We have written such beautiful descriptions and we are really proud of what we have achieved!

In Maths, we have been practising telling the time and finding out what we already know.

We have been creating our own class dragon book using PowerPoint.

We have really enjoyed typing on the laptop and choosing pictures and backgrounds!

Next week we will be comparing 'Tell Me a Dragon' with the story 'The Night Dragon'.

We will be thinking about what we have enjoyed in both texts and the similarities between the two.

We will continue to practise telling the time in Maths.

In PSHE, we will be talking about what we love about ourselves and what we are proud of.

### Acorns - Morning Session

We all had a wonderful time at Forest School. The children looked for insects under the logs, negotiated moving along slippery surfaces and ran freely between the trees.

The photo is of two children using sticks, as fishing rods in a puddle. The fish were imaginary ones.

### Acorns - Afternoon Session

The children have been exploring a range of messy materials. The children were fascinated by the texture of the gloop and how it dripped from their fingers.

They also shaped crazy soap and did lots of splashing while floating boats during water play.

### Conkers

The children have had a very enjoyable week. We have managed to enjoy the outdoors between showers.

We visited the school climbing equipment where the children demonstrated good climbing, balancing, co-ordination and a willingness to have a go at the more difficult areas.

At Forest School all the children were engaged in looking for bugs, climbing over the logs, trees and making campfires, and having fun jumping in the puddles.

Our story of the week is the "Enormous Turnip" and at circle time acting out the story.

We have been practicing our number 1 - 10, matching quantity and numbers. Please remember to read the children's library book to them and return the books on Thursday 27<sup>th</sup> May.

We hope you all have a lovely weekend.
