

Stonehouse Park Infant School | Park Junior School, Stonehouse
Elm Road, Stonehouse, Gloucestershire, GL10 2NP

July 16th, 2021

Dear parents, carers and staff,

I hope you are all well. I am writing to all parents, carers and staff of Stonehouse Park Infant School and Park Junior School, Stonehouse, on behalf of the two Governing Boards, to give you an update about the proposals for a federation which we announced recently.

On July 15th, the Governing Boards of both schools voted unanimously to launch the formal consultation which is necessary for the schools to federate. This consultation period starts today and will close on September 20th, 2021.

Entering into a federation is an important decision. Governors of both schools are completely behind the plan, and we have had very positive feedback from staff, parents and Gloucestershire County Council. However, we want to hear as many views as possible.

Accompanying this letter is a Federation Proposal, containing all of the information you will need. There is a response form on the last two pages which you are invited to complete and return. If you have any difficulty in accessing or completing the form, then please let us know and we can make alternative arrangements to ensure that you are able to participate.

You are welcome to get in touch with us about this at any time, but we are also holding some dedicated consultation sessions to which you are all invited. These include next week on Mon 19th (from 1510 outside at the Infants and 1830 online) and Tue 20th (from 1510 outside at the Juniors).

We will also be making sure that Governors are present at some upcoming local community events being held around Stonehouse and will more than likely be looking to arrange some additional dedicated consultation sessions between now and September 20th.

Please do take the time to get involved and contribute to the consultation – this is your opportunity to have your say, and all consultation responses will be taken into account by the Governing Boards.

Yours sincerely,

John Parker
Chair of Governors, Stonehouse Park Infant School and Park Junior School.
